

# Accounting and Reporting Team Leader (Chief Accountant)

## IRI Forest Management (part of Ingka Investments)

Ingka Investments' mission is to lead with purposeful investments, enabling Ingka Group's long-term growth and financial strength. Ingka Investments is one of the three businesses within Ingka Group, together with IKEA Retail and Ingka Centers. We want to position Ingka Group as a unique, responsible and trusted investor. We act as a strategic partner to IKEA Retail and Ingka Centres by securing financial strength for future growth and by making investments that contribute to making Ingka Group the world's leading multichannel home furnishing retailer and to achieving its People & Planet Positive strategy.

IRI FOREST MANAGEMENT SRL, part of Ingka Group, is a company that manages the forest portfolio that Ingka Group owns in Romania. The main goal of the company envisage responsible forest management focused on people and environment.

As an *Accounting and Reporting Team Leader* you will secure that accounting and tax activities are carried out according to the current laws and internal guidelines in the most efficient way, have the opportunity to develop in an international environment, to communicate with different partners from inside and outside Ingka Group, to learn from colleagues around the world and, in the same time to share your experience with others.

You will also contribute to the growth of the business and its profitability on a long term through accounting and reporting responsibilities according to the IRI Forest Management Strategy.
